**A committee member may not have any affiliations.**

**with a travel business/company, directly or indirectly.**

Tell us a little about yourself-how long you have lived here, your interests/hobbies, work experience, etc.

Why do you want to be on the Travel committee?

What special skills can you bring to the Travel Group? Computer skills, travel experiences, writing skills, working with groups, etc.

Do you have any restrictions that would prevent you from planning and participating in any trips?

Are you willing to attend local Travel Meetings and Committee Meetings several times a year when scheduled?

Would you be willing to plan a trip that is of interest to the membership but not necessarily to yourself or promote trips planned by other members of the committee?

Each committee member promotes at least 2 trips per year. Does that fit into your schedule?

When you travel with your tour you may need to assist your Tour Manager when needed. On occasion you may have to miss a part of the trip due to problems that may arise with one of your group travelers. Would you be able to do that?

If you are interested in becoming a Committee member, email us at [travelgroupnh@gmail.com](mailto:travelgroupnh@gmail.com) for an interview appointment. Thanks for your interest.
